

PEBBLE BEACH COMPANY

Below are a few important reminders for Pebble Beach
CONTRACTORS/BUSINESSES in regard to gate entry and clearance:

- Please ensure that your pass is affixed to the window of your vehicle, driver's side bottom left. Passes are not valid unless they are affixed to the vehicle. **Do not** laminate or place in sleeves, one pass is only valid for one vehicle. **Passes are non-transferable.**
- Be courteous at the gates. Slow down when entering and exiting the gates. Gate officers may stop vehicles with passes at any time. Be aware that due to weather, sun glare, or multiple stickers on vehicles, it may take longer for gate officer to identify the correct entry sticker.
- Contractor hours of access are between 8 AM and 6 PM Monday through Saturday. No construction work is authorized on Sundays and holidays.
- Prior year passes **do not** grant a vehicle access into the Del Monte Forest. Any vehicle with an old pass or without a pass will be stopped and may be subjected to the \$12.00 entry fee.
- Any vehicle displaying counterfeit/copied/non-affixed/expired passes will have a note attached to their account. This may lead to denial of following year annual pass.
- Vehicles without a pass must use the Visitor Lane when arriving to the property. If you have the current year pass, you may use the resident lane for quicker access.
- All vehicles must have valid registration and insurance and be driven by someone that has a valid driver's license.
- Each pass is **valid for only one vehicle** and is not permission to bring in additional vehicles. If a contractor or business uses sub-contractors or additional employees, they must either pay the gate entry fee of \$12.00 or purchase additional annual passes.
- Motorcycles and mopeds are not allowed.
- Parking must be contained on your jobsite. Parking on the road shoulder is not allowed without prior approval from Pebble Beach Company.
- Passes are the property of Pebble Beach Company and can be confiscated at any time.
- Any questions may be directed to Security Manager Hillary Drinovsky (831) 622-6559
