We'll begin with a quick overview of North Monterey County market stats for the month, followed by 1-2 minute briefings from each agent who has a home on tour. After the briefing, listing agents may head to their properties to prepare for the tour. This will be a recurring meeting held on the last Wednesday of each month.

Tour Structure:

- Tours will be capped at six homes per caravan per broker tour
- Each property will receive approximately 5-10 minutes for preview
- After each showing, we'll gather outside for a brief, collaborative discussion on pros, cons, and overall impressions to provide helpful agent-to-agent feedback

At the final home, agents will be invited to drop a business card into a drawing for a small giveaway (approximately a \$25 gift card), generously donated by our affiliate partners.

HAVE A LISTING YOU'D LIKE FEATURED?

We will be selecting the first six homes from agents who respond or call to participate, so please reach out as soon as possible if you'd like your property included on tour.
